**Guidelines for remuneration to senior executives (item 18)**

The Annual General Meeting 2012 is asked to decide on the following guidelines, proposed by the Board of Directors, for determining remuneration for senior executives (below the “**Executives**”).

*Remuneration guidelines*

The objective of the guidelines is to ensure that CDON Group can attract, motivate and retain the Executives, within the context of CDON Group's peer group, which consists of Nordic online and off-line retailing companies. The remuneration shall be based on conditions that are market competitive and at the same time aligned with shareholders' interests. Remuneration to the Executives shall consist of a fixed and variable salary, as well as the possibility of participation in long-term equity based incentive programmes and pension schemes. These components shall create a well balanced remuneration reflecting individual performance and responsibility, both short-term and long-term, as well as CDON Group's overall performance.

*Fixed salary*

The Executives' fixed salary shall be competitive and based on the individual Executive's responsibilities and performance.

*Variable salary*

The Executives may receive variable remuneration in addition to fixed salaries. The contracted variable remuneration will generally not exceed a maximum of 75 per cent of the fixed annual salary. The variable remuneration shall be based on the performance of Executives in relation to established goals and targets.

#### *Other benefits*

CDON Group provides other benefits to the Executives in accordance with local practice. Other benefits can include, for example, a company car and company health care. Occasionally, housing allowance could be granted for a defined period.

#### *Pension*

The Executives shall be entitled to pension commitments based on those that are customary in the country in which they are employed. Pension commitments will be secured through premiums paid to insurance companies. Under normal circumstances the retirement age is 65 years.

#### *Notice of termination and severance pay*

The maximum notice period in any Executive's contract is twelve months during which time salary payment will continue. The Company does not generally allow any additional contractual severance payments.

#### *Deviations from the guidelines*

In special circumstances, the Board of Directors may deviate from the above guidelines, for example additional variable remuneration in the case of exceptional performance. In such a case the Board of Directors shall explain the reason for the deviation at the following Annual General Meeting.

In accordance with the Swedish Code of Corporate Governance the Remuneration Committee within the Board of Directors monitors and evaluates the application of the guidelines for remuneration to the Executives established by the General Meeting. The evaluation has resulted in the conclusion that the guidelines adopted by the General Meeting have been followed during 2011. Furthermore, the Company's auditor has, pursuant to Ch 8 Sec 54 of the Companies Act (2005:551), provided a statement with respect to whether there has been compliance with the guidelines for remuneration to the Executives which have applied since the previous Annual General Meeting.

The Auditor's statement and the Board of Directors' report of the result of the Remuneration Committee's evaluation are available on the Company's website at [www.cdongroup.com](http://www.cdongroup.com), at the Company's premises at Bergsgatan 20 in Malmö and will be sent to those shareholders who so request and state their postal address or email address.

#### **Incentive program (items 19(a) – (c))**

The Board of Directors proposes that the Annual General Meeting resolves to adopt a performance based incentive programme for senior executives and other key employees within the CDON Group in accordance with items 19(a)-19(c) below. All resolutions in item 19 are proposed to be conditional upon each other and are therefore proposed to be adopted in connection with each other.

#### ***Adoption of an incentive programme (item 19(a))***

The Board of Directors proposes that the Annual General Meeting resolves to adopt a performance based incentive programme (the “**Plan**”). The Plan is proposed to in total include approximately 20 senior executives and other key employees within the CDON Group. The participants in the Plan are required to own shares in CDON Group. These investment shares can either be shares already held or shares purchased on the market in connection with the notification to participate in the Plan. Thereafter the participants will be granted, free of charge, retention rights, and in certain cases, performance rights and stock options on the terms stipulated below.

#### *Personal investment*

In order to participate in the Plan, the employees must own shares in CDON Group. These shares can either be shares already held or shares purchased on the market in connection with the notification to participate in the Plan. The maximum number of shares which the employee may invest in under the Plan will correspond to a value of 5 – 10 per cent of the employee's annual base salary.

For each share invested under the Plan, the participants will be granted retention rights, and in certain cases, performance rights and stock options by the Company.

#### *General terms*

Subject to fulfilment of certain retention and performance based conditions during the period 1 April 2012 – 31 March 2015 (the “**Measurement Period**”), the participant maintaining the invested shares during the vesting period ending at the release of the interim report for the period January – March 2015 and maintaining, with certain exceptions, employment within the CDON Group at the release of CDON Group's interim report for the period January – March 2015, each retention right and performance right will entitle the participant to receive one ordinary share free of charge and each performance option will entitle the participant to purchase one share at a price corresponding to 120 per cent of the share price at grant. Dividends paid on the underlying share will increase the number of shares that each retention right and performance right entitles to in order to treat the shareholders and the participants equally.

#### *Performance conditions*

The retention rights, the performance rights and the options are divided into Series A (retention rights) and Series B and C (performance rights and options). The number of CDON Group shares the participant will receive at vesting of retention rights and performance rights and exercise of vested options depends on which category the participant belongs to and on the fulfilment of the following defined retention and performance based conditions:

- |                 |  |
|-----------------|--|
| <i>Series A</i> | CDON's total shareholder return on the share (TSR) during the Measurement Period exceeding 0 per cent as entry level.  |
| <i>Series B</i> | CDON's gross profit during the Measurement Period corresponding to levels determined by the Board of Directors as entry and stretch. The Board of Directors intends to present the entry-level and the stretch-level in the Annual Report for 2015.  |
| <i>Series C</i> | CDON's total shareholder return on the shares (TSR) during the Measurement Period being equal to the average TSR for a peer group of listed companies in same sector as determined by the Board of Directors as entry level, and exceeding the average TSR for the peer group with 10 percentage points as the stretch target. When calculating the average TSR, March 2012 shall be compared to March 2015. Furthermore, the companies in the peer group which have the highest respectively the lowest TSR shall be excluded from the calculation. |

The determined levels of the conditions include an entry level and a stretch target with a linear interpolation applied between those levels as regards the number of rights and options that vests. The entry level constitutes the minimum level which must be reached in order to enable vesting of the rights and options in that series. If the entry level is reached, the number of rights and options (as applicable) that vest is proposed to be 100 per cent for Series A and 20 per cent for Series B and C. If the entry level is not reached, all rights and options (as applicable) in that series lapse. If a stretch target is met, all rights and options (as applicable) remain exercisable in that series. The Board of Directors intends to disclose the outcome of the retention and performance based conditions in the Annual Report of 2015.

It is further proposed that the Board of Directors shall be entitled to adjust the target levels of the above performance conditions, if it so deems appropriate, should changes occur in the CDON Group or its operating environment that entails that the set target level is no longer relevant to correctly reflect the performance of the CDON Group. Any such adjustments shall only be made in order to fulfil the overall purpose of the Plan.

#### *Retention rights and performance rights*

The retention rights and performance rights shall be governed by the following terms and conditions:

- Granted free of charge after the Annual General Meeting.
- May not be transferred or pledged.

- Vests following the release of the interim report for the period January – March 2015.
- Dividends paid on the underlying share will increase the number of shares that each retention right and performance right entitles to in order to treat the shareholders and the participants equally.
- Vests provided that the holder has maintained the personal investment and is still, with certain exceptions, employed by the CDON Group during the vesting period ending at the release of the interim report for the period January – March 2015.

#### *Options*

The options shall be governed by the following terms and conditions:

- Granted free of charge after the Annual General Meeting.
- Each option entitles the participant to acquire one ordinary share in the Company. The exercise price shall be 120 per cent of the market value of the share on the date of the allocation of the option.
- May not be transferred or pledged.
- May be exercised in June 2015 and August 2015.
- No entitlement to compensation for dividend on the underlying shares under the term of the option.
- Vests provided that the holder has maintained the personal investment and is still, with certain exceptions, employed by the CDON Group during the vesting period ending at the release of the interim report for the period January – March 2015.

#### *Preparation and administration*

The Board of Directors, or a committee established by the Board for these purposes, shall be responsible for preparing the detailed terms and conditions of the Plan, in accordance with the mentioned terms and guidelines. To this end, the Board of Directors shall be entitled to make adjustments to the Plan to meet foreign regulations or market conditions. The Board may also make other adjustments if significant changes in the CDON Group, or its operating environment, would result in a situation where the decided terms and conditions for the personal investment, and the allotment and vesting of retention rights, performance rights and options under the Plan become irrelevant. Any such adjustments should only be made in order to fulfil the overall purpose of the Plan.

The Board shall also be entitled to let persons who are newly employed within the CDON Group during 2012 participate in the Plan.

#### *Allocation*

In total, the Plan is estimated to comprise up to 26,375 shares held by the employees entitling to allotment of up to 402,275 rights and options, whereof 26,375 retention rights, 173,100 performance rights and 202,800 options. The participants are divided into different categories and the Plan will comprise the following number of invested shares and the maximum number of rights and options in accordance with the above mentioned principles and assumptions:

- the CEO: may acquire up to 4,300 shares within the Plan and will be granted 1 Series A right, 4 rights each of Series B and C, and 6 options each of Series B and C per invested share;
- approximately four other members of CDON Group's management team: may each acquire up to 2,500 shares within the Plan and will be granted 1 Series A right, 4 rights each of Series B and C and 6 options each of Series B and C per invested share;
- category 1 (approximately five individuals): may each acquire up to 1,300 shares within the Plan and will be granted 1 Series A right, 3 rights each of Series B and C, and 3 options each of Series B and C per invested share; and
- category 2 (approximately ten individuals): may each acquire up to 625 shares within the Plan and will be granted 1 Series A right and 2 rights each of Series B and C.

### *Scope and costs of the Plan*

The Plan will be accounted for in accordance with IFRS 2 which stipulates that the rights and options should be recorded as a personnel expense in the income statement during the vesting period. Based on the assumptions that the share price is SEK 58.25 (closing share price of the CDON Group share on 23 March 2012) at the time of allocation, that each participant makes the maximum personal investment, that the annual employee turnover is 10 per cent among the participants of the Plan, an average fulfilment of retention and performance based conditions of approximately 50 per cent, and full vesting, the total cost, exclusive of social security costs, for the Plan is estimated to approximately SEK 5 million. The cost will be allocated over the years 2012 – 2015.

Social security costs will also be recorded as a personnel expense in the income statement by current reservations. The social security costs are estimated to be around SEK 2 million with the assumptions above, and an average social security tax rate of 31.4 per cent and an annual share price increase of 10 per cent during the vesting period.

The participant's maximum profit per right and option in the Plan is SEK 280 (approximately five times the share price at the design of the Plan). If the value of the CDON Group share at vesting or the profit at exercise of the option exceeds SEK 280, the number of shares each right entitles the employee to receive at vesting or the number of shares received at exercise of the options will be reduced accordingly. The maximum dilution is 0.6 per cent in terms of shares and votes and 0.1 per cent in terms of the estimated Plan cost as defined in IFRS 2 divided by the Company's market capitalisation as at 23 March 2012.

Assuming that a maximum gain of SEK 280 per right and option is achieved, all invested shares are held under the Plan and a 100 per cent fulfilment of retention and performance based conditions, the maximum cost for the Plan is approximately SEK 9 million in accordance with IFRS 2 and the maximum cost for social charges approximately SEK 35 million.

For information on CDON Group's other equity-related incentive programmes, reference is made to the Annual Report for 2011.

### *Effect on certain key ratios*

The impact on basic earnings per share if the Plan had been introduced in 2011 with the assumptions above would result in a dilution of 2.9 per cent or from SEK 1.26 to SEK 1.22 on a pro forma basis.

The annual cost of the Plan including social charges is estimated to be approximately SEK 2 million based on the above assumptions. This cost can be related to the Company's total personnel costs, including social charges, of SEK 204.1 million in 2011.

### *Hedging*

The Plan entails a certain financial exposure for the CDON Group, due to market price changes for the CDON Group share. The Board intends to hedge the financial exposure either, provided that the Annual General Meeting resolves in accordance with item 19 b) on the agenda, by way of a combination of (i) reallocation from the hedges of LTIP 2011 to LTIP 2012 and a new issue of redeemable and convertible C shares or, (ii) by way of entering into an equity swap agreement with a third party. The Board regards the first alternative to be the most cost efficient and flexible arrangement for the conveyance of CDON Group shares and for covering certain costs, mainly social security costs. However, independent of hedging method, the costs of the Plan will be charged to the income statement during the Vesting Period.

### *Delivery of shares under the Plan*

To ensure the delivery of shares under the Plan, the Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors to resolve on a directed issue of not more than 285,000 Class C shares to Nordea Bank AB (publ) in accordance with item 19(b), and further to authorise the Board of Directors to subsequently resolve to repurchase the Class C shares from Nordea Bank AB (publ) in accordance with item 19(c). The Class C shares will then be held by the Company during the vesting period, whereafter the appropriate number of Class C shares will be reclassified into ordinary shares and subsequently be transferred to the participants under the Plan. The Board of

Directors further proposes that the Annual General Meeting resolves that maximum 125,000 Class C shares held by the company after reclassification into ordinary shares may be transferred to the participants under the Plan.

*The rationale for the proposal*

The objective of the proposed Plan is to create conditions to recruit and retain high performing employees in the Group. The Plan has been designed based on the view that it is desirable that senior executives and other key employees within the CDON Group are shareholders in the Company. Participation in the Plan requires a personal investment in CDON Group shares by each participant. By linking the employee's reward with the development of the Company's profits and increase in value, employee loyalty is rewarded and long-term value growth of the Company is facilitated. Against this background, the Board of Directors is of the opinion that the adoption of the Plan as set out above will have a positive effect on the CDON Group's future development and thus be beneficial for both the Company and its shareholders.

*Preparation of the proposal*

CDON Group's Remuneration Committee has prepared this Plan in consultation with external advisors and major shareholders. The Plan has been reviewed at meetings of the Board of Directors during the first months of 2012.

The above proposal is supported by the Company's major shareholders.

***Authorisation to resolve to issue class C shares (item 19(b))***

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors, during the period until the next Annual General Meeting, to increase the Company's share capital by not more than SEK 570,000 by the issue of not more than 285,000 Class C shares, each with a ratio value of SEK 2. With disapplication of the shareholders' preferential rights, Nordea Bank AB (publ) shall be entitled to subscribe for the new Class C shares at a subscription price corresponding to the ratio value of the shares. The purpose of the authorisation and the reason for the disapplication of the shareholders' preferential rights in connection with the issue of shares is to ensure delivery of shares to participants under the Plan.

A valid resolution requires approval of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Annual General Meeting.

***Authorisation to resolve to repurchase Class C shares (item 19(c))***

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors, during the period until the next Annual General Meeting, to repurchase its own Class C shares. The repurchase may only be effected through a public offer directed to all holders of Class C shares and shall comprise all outstanding Class C shares. The purchase may be effected at a purchase price corresponding to not less than SEK 2 and not more than SEK 2.10. The total price will not exceed 598,500. Payment for the Class C shares shall be made in cash. The purpose of the repurchase is to ensure the delivery of shares under the Plan.

A reasoned statement from the Board of Directors, pursuant to Ch 19 Sec 22 of the Companies Act (2005:551), with respect to the proposed repurchase of own Class C shares to ensure delivery of ordinary shares under the Plan will be available on the Company's website at [www.cdongroup.com](http://www.cdongroup.com), at the Company's premises at Bergsgatan 20 in Malmö no later than 11 April 2012 and will be sent to shareholders who so request and state their postal or email address.

A valid resolution requires approval of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Annual General Meeting.

***Transfer of ordinary shares to deliver under incentive programme (item 20)***

The Board of Directors proposes that the Annual General Meeting resolves that Class C shares that the Company purchases by virtue of the authorisation to repurchase its own shares in accordance with item 19(c) above, following reclassification into ordinary shares, may be transferred to participants in accordance with the terms of the Plan. The Board of Directors further proposes that the Annual

General Meeting resolves that maximum 125,000 Class C shares held by the company after reclassification into ordinary shares may be transferred to participants in accordance with the terms of the Plan.

A resolution in accordance with the proposal is valid only where supported by shareholders representing at least nine-tenths of both the votes cast and the shares represented at the Annual General Meeting.

## **RESOLUTIONS PROPOSED BY SHAREHOLDERS**

### **Instruction to the Board of Directors to examine the possibilities for CDON Group to offer benefits to the shareholders (item 21)**

Shareholder Fredrik Norberg proposes that the Annual General Meeting resolves to instruct the Board of Directors to examine whether it is possible for CDON Group to offer benefits to the shareholders related to CDON Group's services in order to reward shareholding in CDON Group or that persons in their capacity of shareholders shall have a possibility to test all, or at least to some extent, the services offered by CDON Group.
